

ICE CLAUSE (B) 01/04/90

In no case shall this insurance cover any claim for cost of repairs of the damage to the Vessel caused by collision or contact with ice, on waters east of 115°E Long. and west of 155°W Long., but north of 30°N Lat. (inclusive of ports, rivers and their tributaries), between the 15th of November and the 30th of April, both days inclusive, but this provision does not apply for such damage as was inevitably caused in minimizing the loss or damage (loss or damage caused by ice excluded) covered under this insurance.
